| Smart watch.mvp-130 silver  | Specifications |
|---|----------------|
|  A close-up photograph of a silver smartwatch with a white, perforated, fabric-like strap. The watch face is black and displays a digital clock showing '10:09' in large white numbers. Below the time, it shows the date '06/23', a heart rate icon with the number '089', and a step counter icon with the number '23456'. The background of the watch face features blue and green abstract graphics and the text 'ESCAPE FROM THE'. The watch has a silver case with a prominent orange-tipped crown on the right side. |                |
