<b>ESTACION DE BOMBERO MINIATURA 774 PCS MATERIAL ABS 50X37X6.5CM JU-41</b>	<b>Specifications</b>	
 A detailed LEGO Fire Protection Station set. The main structure is a two-story fire station with a red and white color scheme. It features a large red crane on the roof, a blue and red fire truck with a ladder, and a red and white fire truck with a pump. A palm tree is positioned in front of the station. The set is built on a grey baseplate with the number '01' visible. The words 'FIRE PROTECTION' are printed on the side of the building. The set includes various LEGO bricks, plates, and accessories.
