Smart watch x9 ultra 2 gs silver	Specifications
 A close-up, low-angle view of the back of a silver smartwatch. The watch case is visible on the left, showing a black screen with several colorful, translucent spheres in shades of pink, yellow, orange, and blue. The back of the case features a circular sensor with a red ring. The watch is attached to a grey, textured strap with multiple rows of circular holes and metal lugs for buckles.
